

**Letter to the Speaker of the House of Representatives Transmitting Budget Amendments for the Department of Health and Human Services**

July 18, 2006

Dear Mr. Speaker:

I ask the Congress to consider the enclosed FY 2007 Budget amendments for the Department of Health and Human Services to enhance the preparedness and response capabilities of the agency based primarily on the findings of the *Federal Response to Hurricane Katrina: Lessons Learned* report of February 2006. The total discretionary budget authority in my FY 2007 Budget would not be increased by these requests.

The details of this proposal are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

**George W. Bush**

**Letter to Congressional Leaders on Departure of American Citizens From Lebanon**

July 18, 2006

Dear Mr. Speaker: (Dear Mr. President:)

Hostilities involving Israeli military forces and Hezbollah terrorists in Lebanon commenced on July 12, 2006, and have included military operations in the vicinity of the U.S. Embassy in Beirut.

Although there is no evidence that Americans are being directly targeted, the security situation has deteriorated and now presents a potential threat to American citizens and the U.S. Embassy. On July 14, the Department of State first requested Department of Defense assistance to support the departure of American citizens from Lebanon. On July 15, U.S. military helicopters temporarily deployed to Cyprus. On July 16, these combat-equipped helicopters delivered to U.S. Embassy, Beirut, a contingent of U.S. military personnel who will assist in planning and conducting the departure from Lebanon of U.S. Embassy personnel and citizens and designated third country personnel. The heli-

copters also transported U.S. citizens from Beirut to Cyprus. It is expected that these helicopters will continue to provide support to the Embassy, including for the departure of additional personnel from Lebanon. It is likely that additional combat-equipped U.S. military forces may be deployed to Lebanon and Cyprus and other locations, as necessary, in order to support further efforts to assist in the departure of persons from Lebanon and to provide security.

These actions are being undertaken solely for the purpose of protecting American citizens and property. United States forces will redeploy as soon as it is determined that the threat to U.S. citizens and property has ended and the departure of any persons, as necessary, is completed.

I have taken this action pursuant to my constitutional authority to conduct U.S. foreign relations and as Commander in Chief and Chief Executive. I am providing this report as part of my efforts to keep the Congress informed, consistent with the War Powers Resolution.

Sincerely,

**George W. Bush**

NOTE: Identical letters were sent to J. Dennis Hastert, Speaker of the House of Representatives, and Ted Stevens, President pro tempore of the Senate. This letter was released by the Office of the Press Secretary on July 19.

**Remarks on Signing the Fetus Farming Prohibition Act and Returning Without Approval to the House of Representatives the "Stem Cell Research Enhancement Act of 2005"**

July 19, 2006

Good afternoon. Congress has just passed and sent to my desk two bills concerning the use of stem cells in biomedical research. These bills illustrate both the promise and perils we face in the age of biotechnology. In this new era, our challenge is to harness the power of science to ease human suffering without sanctioning the practices that violate the dignity of human life.
